GOSPEL-CENTERED SOLUTIONS TO HUNGER

The world is facing the worst hunger crisis we've seen in 40 years.

With the number of food-insecure people rising to 2.3 billion, the need to combat hunger has never been more urgent.

As Southern Baptists, we believe this number is unacceptable, so together, *we're changing it.*

Last year, gifts to the Global Hunger Relief fund provided:

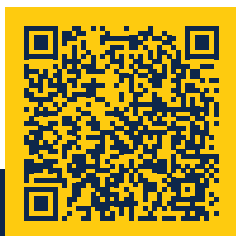

- 1.5 million hot meals
- 11 million grocery packages
- 32,000 people trained in hunger alleviation

Most importantly, over 51,000 found salvation in Christ.

How can you help?

Give to the Global Hunger Relief Fund. Your gifts support gospel-centered hunger projects that share God's love in word and deed.

Join us to combat hunger in the United States and across the globe.
